

Shiocton Public Library Circulation Policy

A. Registration

- All borrowers must be registered and must have a valid system patron card to borrow library materials. Only one system patron card can be held by an individual.
- Patrons must fill out an application form to register for a new library card. The following statement will be printed on the registration form for the patron's information and acceptance:

I agree to be responsible for all items borrowed with the library card issued in the above name, including items borrowed with it by others with or without my consent unless I have previously reported the loss of my card. I promise to comply with all library rules and policies both present and future, and to give prompt notice of change of address or loss of library card.

Signature _____

- Identification is required. A valid driver's license or student identification is preferred; however, any other valid official photo identification may be acceptable. If the form of identification used does not have the current address
- Applicants under 18 years of age must have a parent or guardian give their consent on the application form before a new card can be issued. A parent or guardian must complete the application form and the Internet and Video Permission form in the presence of a library staff member. This parental signature is not required for children who are renewing cards.
- The Shiocton Public Library will not restrict access to materials based on a patron's age, content or rating. If a parent or guardian chooses not to allow their child to check out video and DVD materials they must indicate that on the permission form. This will restrict them from all videos and DVD's available at the Shiocton Public Library
- Materials cannot be checked out until a library card is issued.
- All library cards expire after 1 year. In order to renew a library card registration information must be verified by library staff and all outstanding bills must be paid in full.

B. Lost or forgotten cards

- If a patron loses his/her library card, he/she should notify the library as soon as possible and request a replacement.
- All patrons, adult and juvenile, are expected to bring their library cards with them if they intend to check out items. Valid photo identification may be used to check out materials, however, an individual who repeatedly ignores this expectation may be denied the privilege of checking out materials until they present their card at the library.

- If a replacement card is necessary one will be issued with proper identification. There is no cost to the patron for the first replacement. The second replacement is \$1.00 and any additional replacements are \$3.00 each.

C. Loan periods

- Books and audiobooks 28 days. Magazines, music CD's and short loan materials 14 days. Videocassettes and DVD's 7 days.
- Materials may be renewed twice if there are no outstanding holds. Renewals may be made by telephone if the patron provides the library card number and verifies account information.
- Generally, reference books do not circulate. Upon request, some reference materials may be checked out overnight.
- Interlibrary loans are due the date indicated by the lending library.
- The director may establish the loan period for special collections, materials which are temporarily in great demand, such as for student projects, or materials added to the collection which are in a new format, e.g., computer software.
- Patrons may have a total of 75 items checked out at a time. Of those 75 up to 15 can be videocassettes, DVD's, music CD's and audiobooks.
